**Please Note:**

- Please return completed form to receive a written quote from the GCCEC Events Department
- Signed quotation confirmation and payment details are required prior to the event bump-in to secure this request
- All plumbing and equipment is supplied and fitted by a qualified plumber (contracted by the GCCEC) or a qualified member of the GCCEC Maintenance staff.
- A number of floor pits in the GCCEC are supplied with non-potable water. The waste service only allows for the disposal of clean water waste, as these lines go straight to sewage. The floor pits are not designed for effluent or untreated trade waste discharges (ie: solvents and paints).
