RSA

At the Gold Coast Convention and Exhibition Centre (GCCEC), the health, safety and general well being of our team members and guests is the foundation of all policies and procedures. It is the responsibility of every team member to provide a safe and friendly atmosphere for our guests to meet and socialise. We would like to draw your attention to the Liquor Act 1992 in regards to the responsible service of alcohol.

RESPONSIBLE SERVICE OF ALCOHOL (RSA)

Team members involved in the sale or service of liquor patron service and monitoring, including safety and security, are trained in responsible service of alcohol by a registered training organisation accredited by liquor licensing.

MINORS

Minors are welcome on the premises provided they are accompanied by a responsible adult (18+) and do not consume alcohol.

UNDULY INTOXICATED AND DISORDERLY PATRONS

All team members are trained in identifying signs of undue intoxication and unduly intoxicated patrons will not be served.

SECURITY – SHOULD THEY BE REQUIRED

Management will only employ licensed crowd controllers.

REGISTERED APPROVED MANAGERS – RMLV TRAINING

GCCEC have approved managers registered with liquor licensing to coincide with legislation requirements. The Liquor Act 1992 states “all licensees, nominees and staff of licensed premises have a responsibility to ensure that liquor is sold and supplied to patrons in a responsible manner”. GCCEC is committed to patron care and the responsible service of alcohol; therefore, we appreciate your support throughout your event.
