TERMS AND CONDITIONS

- | | |
|---|--|
| <ol style="list-style-type: none"> 1. All plumbing requests are subject to approval by GCCEC, as access to floor pits is only possible if a floor pit is located directly within the stand's footprint or adjoining the stand. 2. Floor pits at GCCEC are supplied with potable water. 3. Not all floor pits have water and waste available and may require running piping from an alternative floor pit. This will incur additional charges. 4. The waste service only allows for the disposal of clean water waste, as these lines go straight into sewage. The floor pits are not designed for effluents or untreated trade waste discharges (i.e. solvents, paints, fat and grease). 5. Client to supply own hot water system and tap ware. 6. All plumbing and equipment are supplied and fitted by a qualified plumber (contracted by GCCEC) or a qualified member of GCCEC Property Operations Department. 7. Minimum custom floor height is 80 – 100mm to allow for drainage. Please note: Any changes to floor levels present a safety hazard and/or accessibility challenges and therefore must comply with the relevant National Construction Code (NCC), Australian Standard, and Disability Discrimination Act (DDA). Failure to do so may result in the risk of injury to a person(s). | <ol style="list-style-type: none"> 8. Your request will provide the relevant information for the Exhibitors Services Team to generate an Event Order Confirmation which will be sent outlining the required services. 9. Once a signed Event Order Confirmation has been received by GCCEC, a Tax Invoice will be sent to the nominated company and contact person. 10. The signed Event Order Confirmation confirms the install and dismantle dates and times. This schedule cannot be amended once confirmed, as additional charges may apply. 11. Full payment is required seven (7) days prior to the event bump-in date or as stated on the Tax Invoice. Service/s are unable to be provided until payment is received in full. 12. There are no refunds for service/s cancelled during or after the installation date, during the event bump-in, event commencement, or for services ordered and not used. 13. Delays in installation will incur additional labour charges for each hour of delay. 14. Any additional service/s or equipment required is subject to availability, and if ordered will be invoiced at the end of the event and paid accordingly. |
